

Company: purechannelapps Limited
Job: Software Development
Location: Battle, East Sussex, UK
Salary: £32K- £40K per annum

The opportunity:

This is a fantastic opportunity for a capable and motivated individual with software development experience to join [purechannelapps](http://purechannelapps.com), a unique and fast-growing global software company serving IT, retail, manufacturing and financial clients. Salary is between £32-£40K per annum, depending on experience.

The role:

You'll join our small friendly team of developers in Battle, responsible for software and feature development.

About you:

You're an enthusiastic team player and take pride in the software you produce. You're a strong communicator with the ability to interpret and implement business requirements, paying close attention to detail. You're passionate about the code you write and have a desire to grow and learn. You keep up to date with the software development industry and best practices. You write understandable, well-structured code and are not afraid to get stuck into refactoring legacy systems.

Desired skills / experience:

- 5+ years' experience in a software development role
- Highly proficient in PHP/MySQL
- Object-oriented development
- Developing SAAS
- Strong analytical and problem-solving skills
- Excellent knowledge of CSS/HTML/XML/Javascript /jQuery / JSON
- Knowledge of designing and implementing APIs
- Use of version control and code review (we use Git)

Preferred experience in:

- The use of an MVC framework (such as Slim)
- Smarty Templating and Bootstrap
- Dependency Injection
- Behavior-Driven Development
- Application deployment procedures
- Social media API integrations
- Linux and Microsoft administration
- Agile software development principles
- HTML email
- Refactoring legacy code

In return, we offer you:

- The opportunity to work in beautiful Battle (we are on the high street)
- The chance to work with a great team of people (20 people) and being able to influence the company's roadmap.
- The chance to work alongside key business decision makers (Product Director, Sales VP and CEO)
- The chance to learn to play darts, and participate in 'Cheesy Chips Fridays'!
- Office hours 9am-5pm (we typically respect this!)
- 22 days holiday
- Company pension
